IMPORTANT NOTICE

November 9, 2007

Subject: Docket No. 1997-239-C Intrastate Universal Service Fund (USF)

Dear Regulatory Manager,

The Office of Regulatory Staff (ORS) has further adjusted the Intrastate Universal Service Fund for year ending December 31, 2006. These updates are necessary to incorporate additional carrier filings and necessary audit adjustments.

The revised USF factor resulting from these adjustments is **3.6465%**.

Please adjust your billing records accordingly. The SC Public Service Commission guidelines allow a carrier contributing to the USF to flow through its USF obligations to retail end users. The new factor should become effective on billings rendered on or after December 1, 2007.

Should you have any questions concerning the revised Intrastate USF factor, please contact Jim McDaniel immediately at (803)737-0812.

Sincerely,

Dawn M. Hippie, Director
